Why Lease?

- ◆ No large cash down-payment.
- ◆ Up to **100% Financing**.
- ◆ Lease payments are often not reflected on your balance sheet as capital expenditures, offering **beneficial tax & accounting advantages**.
- ◆ Changes in tax law may permit big write-offs for equipment depreciation.
- ◆ **Easy upgrade** of your leased equipment to meet new or changing needs.
- ◆ Financing transactions can offer **flexible terms** to suit your company's specific needs.
